CONFISCATION-EMANCIPATION.

SPEECH

OF INDIANA,

In the House of Representatives,

May 23, 1862.

The House having under consideration the

Mr. SPEAKER: "Never despair of the Re-

public" was the noble maxim of ancient lib-

ible courage and gave them the empire of the

world. The American people, in a more en-

lightened age, bearing a greater commission

and more responsible to the world of mankind,

may learn from it a lesson of fortitude and

wisdom. The weakness of a Republic is

fortitude is necessary to safety. So auspicious

was the beginning of our Republic, so fortu-

has attained in its infancy a position of unex-

ampled greatness by the natural and inherent

force of its institutions; and now, after gen-

wisdom of its form of government unques-

tioned, meeting the first great vicissitude to

which nations and especially Republics are

exposed, the fortitude, courage, and constancy

experience. Shall we pass the ordeal in

rience of the past and the dictates of reason,

strength-a wonderful adjustment of political

elements; a Constitution, the offspring of the

wisest statesmanship, the ripest experience,

pages of history. So wonderfully has it ad-

usted the balances of political power that the

mountain of granite hewed out by the Druids,

remove from its base. While the Federal

power might not impair the domestic and lim-

ited sovereignty of the States, it was still, in

who in peace watched the development of its

strength, armed with ample powers to defend

itself against every enemy at home or abroad:

the oldest Government established by a writ-

by the solemn sanctity of an oath. The Con-

stitution of the United States is the first char-

been established. Almost the whole of the

new hemisphere is covered by nations where

the strongholds of liberty are constitutional

limitations. They have, in the main, failed

in their development. But the Constitution

of the United States is the model of them all.

Its mastery over the nation is the secret

source of our wonderful progress. It is said

by the great historian of this age, "that, on

the discovery of the New World, a legend was

ters reanimated age and restored to its prime.

but the youth to be renewed was the youth of

the race." The renovating principle was the

liberty that springs from limitations or politi-

the purest patriotism that has adorned the

with every change of fortune?

nate in its progress and development, that it

erty which inspired a free people with irresist-

confiscation and emancipation bills-

Mr. HOLMAN said:
